Highlanders Get Clean Bill of Health

Richmond Doctors Let Them Play—Chase Doing Well—
Locals Close Association Football Season Today—
Norwich Baseball Teams Have Dates.

Richmond, Va., April 8.—The New York American baseball club, after passing through various vicissitudes with the health authorities at Lynchburg and other places since their departure from Augusta, Ga., where Hal Chase, their star first baseman, is now occupying an entire hospital in the "enjoyment" of a case of varioloid, which he contracted while in the city, supposed to have been contracted from a belboy in a hotel, arrived here today, was given a clean bill of health and played and defeated the Richmond team this afternoon by a score of 6 to 1.

Health Officer Dr. Levy of Richmond met them on their arrival here today and proceeded to make an examination on his own account. This was followed by an examination by Dr. Allan W. Freeman, assistant state health commissioner, and at forward by Past Assistant Surgeon Sturtevant of Washington. Then all three of them went back and examined the players again. The result was that the New York Americans were given a clean bill of health. The "Yankees" will play in Richmond tomorrow and Monday and the regulars will be in Washington on Monday. The latter team left Richmond tonight and it was announced that they were going to New York, but it is generally believed they will stop in Washington and rest up before the opening of the season, which, according to reports, will be ready to join the team as soon as he is released from his present state of isolation.

HOLYOKE GETS BEAUMONT

Former Bridgeport Backstop Secured by Deal With Portland, Oregon, Team.

Fred Winkler claims he has closed a deal whereby Catcher Beaumont, for the past few years Bridgeport's mainstay behind the bat, will wear a Holyoke uniform this season.

There may be a few threads to unravel with Jim O'Rourke before Beaumont is on the Papermakers' lineup, but Mr. Winkler is confident that he has landed this catcher, and according to his wear a less worried expression when considering the catching department. Beaumont became the property of the Portland (Ore.) club of the Pacific Coast league after the Connecticut league season closed last year. He is dissatisfied on the coast, as his family lives in Bridgeport, and he has been playing Connecticut league ball so long, he feels more at home in this circuit. It was not very difficult to close the deal with Portland, and Mr. Winkler sent Beaumont his transportation money Wednesday.

With Beaumont and Ahearn in trim as catchers, Holyoke should have as strong a pair as any club in the circuit.

SENECAS DEFEAT HARDIGGS

Ten Inning Game, 9 to 3, at Opening of Season.

The Senecas, a newly organized team of the West Side, with members that played on some of the fastest junior teams, such as the Little Potatoes, Young Mohicans Reds and Young Clippers, opened their season Friday afternoon. They defeated the Hardiggs in a 10 inning game by the score of 9 to 3. The features of the game were the pitching of Dale, who struck out ten men, and the fielding of Captain Sullivan of the Hardiggs. The score by innings:

CHAMPIONS MEETING

AT ASSOCIATION FOOTBALL

Norwich vs. Westerly Lorraines This Afternoon at Sachem Park.

The star outdoor attraction of the spring season here is provided this afternoon in the Association football game at Sachem park, when the Norwich team meets the fast and clever Lorraines from Westerly. That it will be the best seen at the park goes without saying, as each aggregation of football artists is a champion in its own territory, and it will also be the closing game of the season for the Norwich club. The Lorraines were one of the few teams to defeat the locals last fall, but the Norwich men under Captain Hilton will have out its strongest lineup and feels confident of reversing the decision this time.

It is expected that Mayor Lippitt will give the occasion the proper eclat by accepting the invitation which he has had to attend and also to set the ball in motion at the opening kickoff. As the Westerly team arrives by the trolley at 2.25, the kickoff will be shortly after 3. Mr. McClurg of Jewett City will referee and the home management is looking for a record-breaking crowd to fill the park. The Norwich lineup: Goal, H. Finlayson; backs, H. Andrews, Ferguson; halves, Cornera, Critchley, Wharon; forwards, A. Finlayson, Hilton, Brown, McComb, Buckley.

Y. M. C. A. ATHLETES

TRAINING FOR CIRCUS.

Indoor Event to Close Season—Side Show and Animals.

How to be a bearded lady, a sword swallower, or a ferocious wild beast from the jungle, so as to earn a place in the wonderful side show at the indoor circus next Wednesday night, which is to be the closing event of the Y. M. C. A. season, has been the study of all the local athletes under Physical Director Peckham, and it is reported that any number of the young athletes have qualified for places in the cages. Altogether Director Peckham has in training a squad of fifty or more who will appear in the thrilling circus acts, comprising pyramids, clowns, tumbling, balancing and gymnastic feats, with a thrilling side for life. All will be introduced in regular circus form, with a grand pageantry entry, after the spectators have had a good chance to circle around through the side show.

Fast Basketball, Open House vs. Tigers

Basketball enthusiasts will watch with interest the game at the Y. M. C. A. gym, tonight, when the best basketball material in the city will be lined up in the two teams that play, the Tigers of the Y. M. C. A. and the Open House team. Both fives are clever and will make the contest a snappy one.

The Lineups.

Tigers—V. Caron and Parsons, forwards; Aberg, center; Reed and Desjardins, guards.

Open House—Frisbie and Gallivan forwards; Drake, center; Brown and Christman, guards.

The preliminary is to be between a team from Willimantic and the Jolly Five of the local association. In the big game of the evening the Tigers have the advantage of playing on their own floor and more chance for team practice than the Open House five, but the latter have a bunch of strong individual players and will be watching from the first to the last blow of the whistle.

BEATS ALL RECORDS.

Duke of Westminster's Motor Boat—Dixie II, Burst Water Pump.

Monte Carlo, April 9.—The English boat Wolsley-Siddleley, owned by the Duke of Westminster, today won the race for the cup of all nations, covering 100 kilometers (about 62 miles) in 1 hour, 25 minutes and 9 seconds. The German boat Standard did not start because of a cracked cylinder. Dixie II, raced well and kept in second place from the start until the 13th round of the course was reached. Then her water pump burst and she was forced to abandon the contest.

The Wolsley-Siddleley and her all world's records for the 100 kilometers. The time of the Lisette was 2 hours 15 minutes 45 seconds.

Manager McAleer says his team can

get more out of a week's practice on the home grounds at St. Louis than a month in the south. When asked what he thought of the American league race, he replied: "Schweitzer is far better fortified this year than he was last and should have a great season." McAleer is certainly long on answers.
